BISON-TENNIAL PUBLIC ART PROJECT

Indiana Association of United Ways is the proud sponsor of the statewide Bison-ennial Public Art Project. This legacy project helped celebrate Indiana's 200th birthday by decorating and displaying 5-foot-tall fiberglass bison with an end goal of at least one – if not a herd – of bison on display in each of Indiana's 92 counties. The bison were completed around Memorial Day of 2016, with appearances in the local community and along the Bicentennial Torch Relay route leading up to Indiana's Bicentennial Statehood Day on December 11, 2016.
