Race to 300

Our operating budget has increased with the growth of Ya Bana Village over the last few years. We appreciate every special gift given to the children, and we would like to build our sustaining donor base for daily operational needs. **We are prayerfully seeking 300 new monthly donors.** These can be brand-new donors or current donors who are generously willing to increase their monthly donations by \$50 or more.

Can you help us reach the finish line?

Online Giving allows donors to schedule secure, recurring donations through ACH withdrawal or credit card.
