The Ark Encounter & Creation Museum

“Bring your friends on this new family adventure”

April 22-23, 2017 2 days/ 1 night

Join Day Dream Tours and friends on an inspirational motor coach tour adventure! Our tour departs early morning to enjoy the afternoon exploring “**The Ark Encounter**”, a one-of-a-kind historically themed attraction in Williamstown, Kentucky. In an entertaining, educational, and immersive way, it presents a number of historical events centered on a full-size, all-wood Ark, which is the largest timber-frame structure in the world. Noah’s Ark, built according to the dimensions given in the Bible. Spanning 510 feet long, 85 feet wide, and 51 feet high, this modern engineering marvel amazes visitors young and old. From the moment, you arrive and the towering Ark comes into view, to the friendly animals in the zoo, to the jaw-dropping exhibits inside the Ark, you’ll experience the pages of the Bible like never before. Dinner is included along with hotel accommodations in the area.

Day two breakfast is included prior to check out. Our day is spent exploring the Creation Museum. This state-of-the art 70,000 square foot museum brings the pages of the Bible to life, casting its characters and animals in dynamic form and placing them in familiar settings. Adam and Eve live in the Garden of Eden. Children play and dinosaurs roam near Eden’s Rivers. The serpent coils cunningly in the Tree of the Knowledge of Good and Evil. Majestic murals, great masterpieces brimming with pulsating colors and details, provide a backdrop for many of the settings. You will find an outreach of answers to skeptical questions helping to doubt that the bible is true. Our adventure home continues with a meal stop along the way, arriving home late evening.
