Touching the Past

Throughout the centuries, people have longed to experience the lands of the Bible, enriching their faith and gaining knowledge of the history and culture in which Jesus lived. Somehow, touching the past arouses the faith within us.

The vision of Alpha 2 Omega Travel was to offer something much more than your average tour to Israel and other biblical destinations. We sought to add a personal touch, and be certain that each and every person traveling would feel as if they were part of the family. As part of our daily work routines, we pray for our tour groups, from the beginning to the end of the tour process. We ask God that each person would be richly blessed, with an experience beyond anything they could possibly imagine, and that their daily walk with God would be strengthened. We seek to be a ministry, not simply a business.

With another tour season approaching, we move forward with that same vision, asking that the Lord would richly bless all of those who travel, and that their lives will be

profoundly touched by His presence. We continue to offer tours which are Christ centered with devotions, prayer, and opportunities for Bible study and fellowship. Many tour groups meet and visit with Christian families, which broadens their cultural perspective with regard to Christians around the world.

As a company, we want you to have the best experience possible while traveling with us. That is why we visit every hotel in which our groups will be booked, to make a determination if the facilities will be acceptable. We also visit local restaurants to select menus and arrange fair pricing, in order to help reduce costs to our groups. It is expensive to travel, and we want to make sure that you receive the best, without overpaying and hidden costs. We want you to have a worry-free adventure as you learn more about the Bible, and grow in your knowledge of Him.

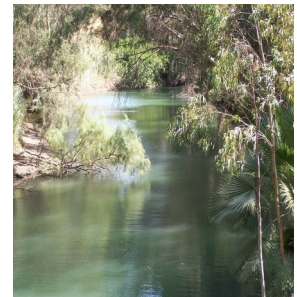

God has richly blessed those of us at Alpha 2 Omega Travel. We are blessed by serving tour groups each year,

and blessed by getting to meet so many wonderful people, and making lasting friendships. We cherish the memories, and the time spent with each group, getting to know each person, and sharing experiences that will only be once in a life time.

If you have never traveled with us or are interested in organizing a biblical tour, take a look at our website: www.alpha2omegatravel.org to see our newest itineraries. We have dates available for groups, as well as existing tours which individuals may join. We look forward to serving you in the future.

In His Peace,

Safety in a foreign country is of great concern to most people. Many people are not comfortable traveling to a place with which they are unfamiliar, and may perhaps have heard that it is unsafe. It is sometimes easier to avoid visiting a country you have always wanted to visit.

Your safety is our concern. Tour operators will always have the most current information on the safety in each country, and any reports that are issued. Security in Israel and other countries is much safer than our media leads us to believe. It is, in all probability, safer than where you live.

Rest assured that millions of people travel to Israel and the Middle East every year, without any safety or security issues.
