MARINE CORPS LEAGUE
BYLAWS

ARTICLE I
Organization

Section 100. History and Traditions. The Marine Corps League was established and approved on August 4, 1937, at the first session of the Seventy-Fifth Congress with Major General John A. Lejeune, USMC (Retired) as Honorary Commandant and Maurice A. Inch as National Commandant.

Section 105. Governing Authority. Operation of the Marine Corps League is guided by the National Bylaws and National Administrative Procedures with ongoing updates. Bylaws are established for Division, Department, and Detachments and are consistent with National Bylaws and National Administrative Procedures. The supreme legislative and policy making authority of the Detachment shall be vested in its membership and the duly elected and appointed officers currently serving in their respective official capacities. A majority of eligible voters at a Detachment meeting at which a Quorum, as defined below, is present shall carry any measure or decide any issue brought before it. Any business conducted and/or voted on shall be considered legal and binding on the membership

Section 110. Name and Purpose. The corporate name of this Detachment shall be the James M. Slay Detachment #329, Marine Corps League (“Detachment”). This Detachment is a component of the Department of Virginia (“Department”), Mideast Division, Marine Corps League. The purposes for which the corporation is formed are as outlined in Article II, Section 200 of the National Bylaws. The Detachment was chartered on April 17, 1964 and was incorporated as a non-profit 501(c)(4) corporation, is a Veterans Service Organization, and is exempt from Federal and Commonwealth of Virginia income taxes.

Section 115. Establishment and Policy. The Detachment shall never take part in any labor or management dispute or issue. It shall always be non-sectarian and non-partisan, and no Detachment policy shall ever be based on race, color, creed, nationality, or sex. Membership shall not be used as a medium of political ambition, and the Detachment shall give no preference based on present or former military rank or civilian stature.

Section 120. Amendments to Bylaws. The Bylaws once approved by the membership will remain in effect until amended, revised, or repealed by a majority of members present at a regularly scheduled meeting at which a Quorum (as defined below) is present. Amendment of the Bylaws, when deemed necessary, will be prepared by a Bylaws committee appointed by the Commandant with the approval of a majority the Board of Trustees. Once it has been drafted, the proposed amendment will be submitted to the Judge Advocate for his/her review and determination of compliance with Department and National Bylaws. He/she will return the amendment to the Bylaws committee for presentation to the Elected Officers for endorsement after which the Bylaws committee may present the amendment to the membership for approval at a regular scheduled meeting of the Detachment. Notice of a proposed amendment presentation must be given to the

Detachment 30 days in advance of the meeting at which the amendments will be voted on. Such notice may be given by U.S. mail, email, or publication in The Scuttlebutt (the Detachment's newsletter). Following approval by the Detachment, the Judge Advocate will provide two complete copies of the amended Bylaws to the Department of Virginia Judge Advocate for his/her review and approval. The copies provided to the Department need only be signed by the Commandant and either the Judge Advocate or the Adjutant.

Section 125. Subsidiary Organizations and Recognized and Authorized Activities.

a. Pursuant to Article III Section 325 of the Marine Corps League's Bylaws, the Marine Corps League has recognized and adopted the PDD Ralph A. Lewis Pound #139 Military Order of the Devil Dogs as an official subsidiary organization of the Marine Corps League which shall ever be subject to the authority, supervision, direction, control, and discipline of the Marine Corps League at the National level only. Subsidiary organizations operate as separate incorporated 501(c)(4) entities exempt from Federal and Commonwealth of Virginia income tax with their own by-laws, Federal Taxpayer ID Number, and bank accounts, and must annually file their own IRS Form 990 or 990-EZ under the Marine Corps League's IRS Umbrella 0955, as applicable, in accordance with Chapter Eight of the National Administrative Procedures. Should the Detachment activate a Women's Auxiliary or establish a Marine of the Year/Associate of the Year ("MOY/AOY") Society, these would be subsidiaries of the Marine Corps League.

b. The Honor Guard (including the Marine Corps League Color Guard), the Outdoor and Indoor Marksmanship Programs, The Patriot's 5k Run, the Detachment's Fundraising Activities, and Toys-for-Tots are established, recognized, and authorized activities of the Detachment. Other activities may be established, recognized, and authorized by the Detachment. These activities may establish their own Operating and Administrative Procedures and other governing documents, but these activities ultimately remain subject to the authority, supervision, direction, control, and discipline of the Detachment. However, because of the inherent dangers associated with rifle and pistol marksmanship programs, no change may be made by the Detachment to the policies and procedures applicable to the Outdoor and Indoor Marksmanship Programs without the approval of the Detachment member in charge of those programs. The Honor Guard Commander shall be responsible for maintaining discipline within the unit and may impose the appropriate discipline in accordance with the Honor Guard's established policies and procedures for offenses that do not rise to the level of those described in Section 380 below.

Members and Membership

Section 200. Eligibility for Membership. Only persons who are serving or who have served honorably in the United States Marine Corps, on active duty for not less than ninety (90) days and persons who are serving or who have served in the United States Marine Corps Reserve and have earned no less than ninety (90) Reserve Retirement Credit Points and U.S. Navy Corpsmen and U.S. Navy Chaplains who have trained with FMF units in excess of ninety (90) days and earned the Marine Corps Device (Clasp) worn on the Service Ribbon and those who earn the Warfare Device authorized for FMF corpsman shall be eligible for regular membership in the Marine Corps League (“Regular Member”). Additionally, some Korean War Era Marines who were ordered to active duty prior to completion of Recruit Training or Officers Training and subsequently received an Honorable Discharge prior to completion of ninety (90) days active or Reserve duty, shall be deemed eligible for Regular membership. Nothing in Article V of the National Bylaws shall be deemed to be retroactive prior to August 10, 2002, to affect current Regular membership. “Honorable Service” will be defined by the last DD 214 or Certificate of Discharge that the applicant received.

Section 205. Regular Member. The Detachment shall be the sole judge of its membership, providing such persons meet the requirements of Article V Sections 515 and 520 of the National Bylaws. The Detachment, however, may not accept as a member any person whose name has been stricken from the roles of the Marine Corps League.

Section 210. Associate Member. Those individuals not qualified for regular membership in the Marine Corps League who espouse the principals and purposes of the Marine Corps League as contained in its Congressional Charter may upon application to the Detachment be accepted for associate membership in the Detachment. Associate Members will pay dues in the same amounts as prescribed for Regular Members. National Headquarters will issue a pin and membership card indicating “Associate Member”. They will not be authorized to wear the Eagle, Globe, and Anchor emblem, but they may wear the ornament device and lettering approved by National Headquarters for Associate Members on uniforms and cover. An Associate Member shall be entitled to the rights, privileges, and benefits of a Regular Member; however, Associate Members shall not vote on a membership application, an election of Officers, or hold an elective-office. Except as noted in the preceding sentence, Associate Members may vote on the Detachment’s internal affairs provided such vote does not affect a policy of the Marine Corps League. With the concurrence of a majority of the Elected Officers, the Detachment’s Commandant (“Commandant”) may appoint Associate Members to an appointed office. Individuals who are serving or have served in other branches of the Armed Forces of the United States must have served honorably. Associate membership may comprise no more than ten (10) percent of total Detachment membership.

Section 215. Active, Inactive, and Delinquent Members. An “Inactive Member” is any member whose dues are more than 60 days past due and/or any member including Life Members

who have not attended any regularly scheduled Detachment business meeting, Detachment function, or Marine Corps League sponsored function for a year without an excused absence(s). Examples of Detachment or Marine Corps League sponsored functions include but are not limited to: a Marine Corps Ball, a Department or National Convention, a fund-raising event sponsored by the Detachment or the League, a recruiting event, an Honor Guard/Color Guard detail, or a Range Day. Members who have not paid their dues within a year are “Delinquent” and will be dropped from the rolls of the Detachment and the Marine Corps League. An “Active Member” is a member whose dues are current and who has satisfied the attendance requirement by signing in for a regularly scheduled Detachment business meeting or attending a Detachment or League sponsored function within the last 12 months. Inactive Members are not counted when determining whether a Quorum is present and may not vote on Detachment matters.

Section 220. Honorary Member. The Commandant may award an honorary membership in the Detachment to those persons who have been of extraordinary service to the Nation, to the Community, to the United States Marine Corps, or to the Marine Corps League (“Honorary Member”). Honorary Members will not be entitled to the rights, privileges, and benefits of regular members. Payment of dues is not required, and honorary members will not be entitled to the official publication of the Marine Corps League.

Section 225. Application for Membership. The standard application for membership will be completed by persons who are eligible for Regular membership and Associate membership. All items on the application will be completed, and the appropriate fees must accompany the application. The endorsing member, who must be a member in good standing, shall sign the front of the application and personally verify the applicant’s service by citing a DD 214 or honorable discharge certificate. Upon verification by the Judge Advocate or the Adjutant, these documents will be returned to the applicant. The Paymaster retains the original application and forwards copies to the Department and the Adjutant.

Section 230. Membership Renewal. The Marine Corps League periodically sends a roster of its membership rolls to applicable Departments which then forward the rosters to their Detachments. The Detachment’s Adjutant, assisted by the Paymaster, sends out renewal notices well in advance of their annual August 31 expiration date to individual members and the Paymaster remits renewal funds to the Department of Virginia which in turn remits funds to the Marine Corps League with the necessary information to update its rosters. To remain in “Good Standing” in the Detachment, dues must be paid by their expiration date. When members receive notice, their dues should be submitted to the Detachment Paymaster without delay. The Detachment Adjutant, the Junior Vice Commandant, and the Paymaster work closely together to invoice members punctually and to collect and remit annual dues upstream.

Section 235. Dues and Fees. Payment of Annual National Membership dues automatically entitles all members in good standing to a subscription to the Marine Corps League’s publication, the Detachment newsletter (“The Scuttlebutt”), and enrollment privileges in any National Group Insurance Programs that may be in effect.

Section 240. Initiation of New Members. All applicants acceptable for membership in the Marine Corps League shall be properly sworn in and be presented the official Membership Card and lapel pin of the Marine Corps League all in accordance with the Ritual of the Marine Corps League (“Ritual”) and Chapter Seven Section 7000 of the National Administrative Procedures.

Section 245. Detachment Meetings. Detachment meetings are normally held on the 4th Saturday of each month at a time and place designated by the Commandant. The date, time, and place of each meeting will be published in The Scuttlebutt. There will be no scheduled meeting during the months of November and December unless membership desires. The importance and dignity of the procedures of the Detachment are such that they should not be sacrificed for expediency. Therefore, all meetings of the Detachment will be held in accordance with the outline published in the Ritual and Robert’s Rules of Order. The Sergeant-At-Arms will be responsible for maintaining order and discipline during the meeting.

Section 250. Quorum. A “Quorum” of the Detachment shall mean 40% of Active Regular Members of the Detachment as reflected on the Detachment rolls. If, in the case of an emergency, the Governor of the Commonwealth of Virginia or other authority with appropriate jurisdiction has limited attendance at meetings or gatherings, then a Quorum of the Detachment shall mean 20% of the Active Regular Members of the Detachment as shown on its rolls until such limitations are rescinded. Before the Detachment votes on any matter or conducts any business at a regularly scheduled meeting, the Commandant shall ask the Adjutant, or in the Adjutant’s absence another Elected Officer, to confirm that a Quorum is present, because no business may be conducted unless a Quorum is present. All Detachment business will be conducted in open forum, and all actions taken shall be considered legal and binding on the membership in all matters of policy and operation of the Detachment if a Quorum is present and a majority vote has been obtained.

Section 255. Proxies. No proxies may be given for the purpose of establishing a Quorum or for voting, both of which must be done in person except as otherwise provided.

Section 260. Meetings Other Than Detachment Meetings. Meetings of the Board of Trustees, Staff Officer Meetings, and Committee Meetings should be in person, however Committees, Staff Officers, and/or the Board of Trustees may meet virtually by telephone conference or by using an appropriate electronic meeting application. If meeting by telephone or via an electronic meeting application, the Staff Officers, Committee, or Board must specify at the time the meeting is scheduled, the specific method that will be used for the virtual meeting and, if by an electronic meeting application, the application to be used by all members in attendance. If meeting by teleconference, the Committee, Staff Officers, or Board may also vote virtually, however all members voting must be able to hear the votes of all of the other members, and a member of the Committee designated by its Chairman or the Adjutant for the Board or Staff Officers must record the individual votes in the meeting minutes. Members of the Committee, Staff Officers, or Board may also vote via email. If voting via email, the email must be sent respectively to all Staff Officers, all members of the Board, or all members of the Committee simultaneously as evidenced by the date and time embedded in the email.

Section 265. Board of Trustees Meetings. The Commandant may call a Board of Trustees meeting at a time and place of his/her choosing concurrent notice of which shall be given to the Detachment. Attendance by four members of the Board of Trustees, in person and/or virtually will constitute a Quorum. Board of Trustees meetings are open for observation by the membership, however only the Board of Trustees and those who are specifically invited by the Commandant to do so may participate. However, the Board of Trustees may enter, by a majority vote of the Board, into a closed (non-public) session to discuss an item of a sensitive and private nature. A report of the meetings, including closed sessions, shall be made by the Adjutant at the next membership meeting provided subject report does not violate a member's right to privacy.

Section 270. Staff Officers Meetings. The Commandant may call a Staff Officers meeting of Elected and Appointed Officers at a time and place of his/her choosing concurrent notice of which shall be given to the Detachment. Staff Officers meetings are open for observation by the membership, however only Detachment Officers and those who are specifically invited by the Commandant to do so may participate. A report of the meetings shall be made by the Adjutant at the next membership meeting.

Section 275. Uniform Regulations. The Red Detachment Cover (garrison cap) must be worn during Marine Corps League Meetings. The Marine Corps League has four different uniforms and various medallions, ribbons, medals, and miniature medals authorized for wear by male and female members of the league. The Uniform Code establishes uniformity and defines appropriate wear of Marine Corps League uniforms. Uniforms and ribbons prescribed in the Uniform Code, detailed in Enclosure Three to the National Administrative Procedures, are considered appropriate to preserve the respect and dignity of the Marine Corps League and the United States Marine Corps. The Adjutant will provide members information on the Uniform Code currently in effect for the Marine Corps League. Active-duty ribbons and medals cannot be "mingled" with Marine Corps League Awards. Detachment members are encouraged to procure and wear the official Marine Corps League uniforms as prescribed at all MCL events and meetings.

ARTICLE IV
Finances

Section 400. Finances. The Commandant is ultimately responsible for all financial matters of the Detachment. The Paymaster is the Chief Financial Officer and chairs the Financial Advisory Committee.

Section 405. Financial Advisory Committee. The Financial Advisory Committee (“FAC”) is appointed by the Commandant with the approval of a majority of the Board of Trustees and includes the Judge Advocate, Paymaster, Adjutant, a representative of the Honor Guard, a representative of the Sgt. Bruce Heilman Scholarship Committee, and up to one at large member with a financial background. The FAC reviews and vets requests for Donations by the Detachment, assists the Paymaster in preparing the annual budget in consultation with the Staff Officers, and makes recommendations to the Board of Trustees on the Detachment’s financial matters.

Section 410. Bank Accounts. The Detachment shall maintain a checking and/or savings account at a banking institution approved by the Board of Trustees upon recommendation of the FAC. All funds received must be deposited in a timely manner in the appropriate Detachment checking or savings account as determined by the Paymaster.

Section 415. Donated Securities. To receive donations of marketable securities, the Detachment shall maintain an online brokerage account at a financial institution approved by the Board of Trustees upon recommendation of the FAC. Marketable securities received shall be immediately liquidated at market prices, and the proceeds shall be immediately transferred to the Detachment’s operating checking or savings account, or to a Detachment Reserve Account, as defined below, whichever is appropriate. The Commandant, the Paymaster, the Adjutant, and one other member of the Detachment in good standing, having a financial background, and appointed by the Commandant with the approval of the Board of Trustees, shall all be authorized signatories on the brokerage account, and any one of them may execute such transactions.

Section 420. Authority to Sign Checks. Checks for budgeted expenditures up to \$250 may be signed by the Paymaster but such checks over \$250 must be signed by any two of the following: Paymaster, Commandant, or Adjutant.

Section 425. Unbudgeted Expenditures. Any unbudgeted expenditure greater than \$100 must be approved by a majority of a Quorum of the Detachment at a regular scheduled meeting, however the Commandant may, with the concurrence of two other members of the Board of Trustees, approve an unbudgeted expenditure of up to \$100 but only for operating expenses exceeding the budgeted amount and must report such expenditure at the next Detachment meeting.

Section 430. Unbudgeted Charitable Contributions. If there are extraordinary mitigating circumstances and with approval of two other members of the Board of Trustees, the Commandant may authorize emergency charitable contributions up to \$100, provided the annual budget for unforeseen charitable contributions is not exceeded. The Commandant must announce such contributions at the next Detachment meeting.

Section 435. Financial Reports. The Paymaster shall report at each Detachment business meeting a summary of actual total year-to-date revenues and expenses versus budgeted total year-to-date revenues and expenses, highlighting deviations, and make available for inspection by members the Detachment's financial records and most recent banking and brokerage statements. Each such report by the Paymaster shall be attached to the meeting minutes.

Section 440. Budget. The Detachment shall manage its financial affairs on a calendar year basis. In October of each year, the Paymaster assisted by the FAC and in consultation with the Staff Officers, shall prepare a budget for the following calendar year which shall be endorsed first by a majority of the Board of Trustees not later than December of each year and then approved by a majority of a Quorum of the Detachment at its regularly scheduled meeting in January. The budget shall include the details of approved charitable donations to be made by the Detachment.

Section 445. Audit. During the month of January or whenever there is a change of Paymasters, the Judge Advocate and two other members in good standing will conduct an audit of the Paymaster's records. The Judge Advocate will report on the audit at the next Detachment meeting.

Section 450. Honor Guard Finances. The Honor Guard operates as a unit within the Detachment. Its revenues and expenses are included in the Detachment's annual budget with input provided by Honor Guard leadership.

a. **Revenues:** The Honor Guard must promptly deliver all Unrestricted Donations and all Designated Donations, as both are defined below, to the Paymaster for deposit and documentation. The Paymaster will send an acknowledgement to the donor. Donors should make checks payable to the "James M. Slay Detachment #329, Marine Corps League."

b. **Expenses:** The Detachment will reimburse the Honor Guard up to the Detachment's annually budgeted amount, and the Paymaster will promptly issue reimbursement checks for budgeted expenses for supplies, equipment, and uniform items properly documented on the Detachment's Request for Reimbursement/Disbursement form with appropriate receipts/invoices attached. The Honor Guard Commander may request additional funds by submitting a budget amendment.

Section 455. Unrestricted Donations to the Detachment. Whenever a donor expresses a preference for their donation to be used for a specific charitable purpose consistent with the Detachment's mission and in support of the Detachment's vetted and budgeted charitable activities and leaves the final decision to the Detachment on the use of their donation, such donation will be considered an "Unrestricted Donation," and such preference will generally be honored, and the funds will generally be deposited in a Detachment Reserve Account as defined below. When no preference is expressed, such funds will be used by the Detachment consistent with its mission and budgeted charitable activities.

Section 460. Designated Donations and Restricted Donations. Whenever donors designate their funds be used for specific purposes in support of the Detachment's regular budgeted and vetted charitable activities, such "Designated Donations" are welcome and appreciated. However, when donors restrict their donations either to purposes which might jeopardize the Detachment's

501(c)(4) tax exempt status, to purposes which are inconsistent with the Detachment's mission, or to purposes not in support of the Detachment's regular budgeted and vetted charitable activities, such "Restricted Donations" shall be declined. Designated Donations shall be deposited in a Detachment Reserve Account.

Section 465. Detachment Reserve Accounts. The Detachment will set aside Unrestricted Donations, Designated Donations, and the Detachment's annual contribution to the Sgt. Bruce Heilman Scholarship Fund in separate "Detachment Reserve Accounts." Detachment Reserve Accounts are generally accounting entries representing liabilities on the Detachment's balance sheet, but the funds may be segregated in separate bank accounts if the amounts are material or funds are expected to be disbursed over a number of years. Funds in Detachment Reserve Accounts from donors other than the Detachment shall be expended for the purpose for which they were donated on a First In, First Out ("FIFO") basis before Detachment Funds in such Detachment Reserve Accounts are expended. If the Detachment discontinues financially supporting the cause for which donors' funds were reserved, the Detachment shall use its best efforts either to return those donors' funds which were not expended before such cessation or to have the donor redesignate their donation.

Section 470. Fund Raising Events. The Detachment may engage in fund-raising events, provided all funds raised less expenses, per Chapter Ten Section 10000g of the National Administrative Procedures, shall be for the sole benefit of the Detachment and its activities. Detachment fundraising activities must not violate any Federal, State, County, or Municipal Law or ordinance, or reflect discredit upon the Detachment or the Marine Corps League.

Section 475. Detachment Property. The Elected Officers and Appointed Officers shall maintain and safeguard all Detachment property and records entrusted to their care. Upon relief from their office, Elected Officers and Appointed Officers will inventory all property and records in their possession and deliver them to their successor within seven days. Copy(s) of the inventory will be provided to the outgoing and incoming Commandant and to the individual involved.

Section 480. Guidelines for Donations by the Detachment. In the absence of extraordinary mitigating circumstances such as a natural disaster or extreme personal hardship suffered by a member, "Passing the Hat" or solicitation of Detachment funds during Detachment meetings is prohibited, unless the Detachment's "Request for Donation" form and any supporting documents have been submitted to the Paymaster at least two weeks prior to a regularly scheduled Detachment business meeting for review by the FAC and the Board of Trustees has endorsed the request. Otherwise, requests shall not be made or presented to the Detachment for approval. Donations must support the Mission of the Marine Corps League, be to a charitable organization making a substantial impact on the local Marine/FMF Corpsman community, benefit primarily local active duty and veteran Marines and local active duty and veteran FMF Corpsmen and their widows and orphans who reside locally, or support local MCJROTC programs and college scholarships benefitting their participants. Requests, particularly for recurring donations, should all be reviewed concurrent with the annual budgeting process and evaluated among competing requests and
