**New Campus Minister**

Nichole Schneider

Hello! My name is Nichole Schneider, and I am overjoyed to be the new Catholic Campus Minister at Shippensburg University. I am originally from the Mechanicsburg, PA area but have spent the last 6 years living in both Delaware and Pittsburgh while attending college and graduate school. I hold a Masters degree in social work and have spent time working in healthcare social work. Most recently, feeling God's call on my heart to work in ministry, I went back to school (online!) and am now pursuing an MA in theology at Franciscan University of Steubenville. God's providence in bringing me to Ship and in opening doors so that I can work in ministry has been incredible - He has moved me, changed me, and provided me with second chances, new opportunities, and restoration. God is good! I truly love the Catholic faith, and I am excited to see how our Lord will work through the ministry to these students. I can't wait to see how God will shape us as a parish and campus family as we fight the good fight toward our one true vocation - being united to Jesus Christ in His glory one day. I know Mrs. Roxanne Dennis has been God's humble servant here for many years and that she will be greatly missed. I ask for your patience as I learn this role and for your prayers. Be assured of my prayers for you!

In Christ,  
Nichole

### **Telling the Truth like John the Baptist**

John the Baptist preached the truth boldly, without sugar-coating it. In a Culture of Death, we must do the same. In "The Gospel of Life," Pope John Paul II put it this way:

"The acceptance of abortion in the popular mind, in behavior and even in law itself, is a telling sign of an extremely dangerous crisis of the moral sense, which is becoming more and more incapable of distinguishing between good and evil, even when the fundamental right to life is at stake. Given such a grave situation, we need now more than ever to have the courage to look the truth in the eye and to call things by their proper name, without yielding to convenient compromises or to the temptation of self-deception. In this regard the reproach of the Prophet is extremely straightforward: "Woe to those who call evil good and good evil, who put darkness for light and light for darkness" (Isaiah 5:20). Especially in the case of abortion there is a widespread use of ambiguous terminology, such as "interruption of pregnancy", which tends to hide abortion's true nature and to attenuate its seriousness in public opinion. Perhaps this linguistic phenomenon is itself a symptom of an uneasiness of conscience. But no word has the power to change the reality of things: procured abortion is the deliberate and direct killing, by whatever means it is carried out, of a human being in the initial phase of his or her existence, extending from conception to birth" (*Evangelium Vitae* n. 58).
