Pastor's Portion

Flowers are sprouting and so are we; Welcome to Spring! To a family who moved from Ohio, it has been a long winter, and with the weather finally changing I feel like we have emerged from a long hibernation. I am looking forward to once again getting into a more active lifestyle. This may initially imply a physically active and healthy lifestyle personally, but it can also apply to our church. I look forward to May, and the Summer which will soon be here. Just as we are emerging from our personal hibernations, I feel the church at Bloomer Baptist is starting to emerge as well and starting to spring into action. How is this so? How are we getting active? Allow me to give you a few examples. After much discussion and planning the church has officially begun the search for the next Youth Pastor/Assistant Pastor in which God is preparing for us. In addition to this staff position, we have now officially hired a part time custodian to take care of the general cleaning. This position will cover the entirety of the interior building needs. Missy Crowell is filling this position and she starts this week! Because of this new position, the cleaning crew schedule will now be void and unnecessary as Missy will be doing all the church cleaning unless special larger projects arise such as, but not limited to, we would still plan on having all church work days one to two times a year for in depth cleaning. We are also looking forward to the Spring and Summer as we have put out a new BBC Events Calendar and a Summer Youth Group Calendar so that we can be purposed to stay very connected both as a church family and in the community. We look forward to the activities on these schedules such as the boat races, outdoor movie night and campout at the church, and more. Check out the events in this newsletter and be a part of growing together with us in our relationships within the church and into the community.

CBC ended the year with our annual Outing at Skate City. Kids who finished a book were treated to free skating and pizza. We had a fun night! Thank you to all the leaders who dedicated their Wednesday nights to enriching the lives of the children in our community. We look forward to seeing kids 3 years old through 6th grade at CBC in the Fall!
