DESCRIPTION: Most Indian Magnum Hunter bows were 52" models. This is a rare 48" model 270. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in good shape. Overall, this is a really nice bow in excellent condition for its age. Like all 48" short bows, this is not for someone with a long draw length.

Comes with a new leather hair shelf rest, side plate and string.
