Summer Swim Season Update: May 17, 2020

With best wishes for your health and wellbeing, it brings us great pleasure to provide the following update.

- **We will open the day after the Governor announces we are entering Phase 2!** This is currently slated to occur sometime between May 23-May 30. The pool has been inspected and permitted. From a staffing standpoint, our pool management company is ready to go.
- **We will have a swim team!** Be on the lookout for additional communication. We are anticipating a five-week season beginning sometime between June 8-15. Swimmers can expect, great coaches, four practices a week, and perhaps a couple of friendly meets with other neighborhood pools. For more information email cwaquademons@gmail.com
- Because the safety of all of our members is important, the following measures will also be implemented:
 - A sanitization station with hand sanitizer, towels, and EPA-approved disinfectant will be stationed near the main entrance.
 - Additional signage has been ordered to provide important reminders about the importance of hand washing, social distancing, and other measures that reduce transmission.
 - High-touch surfaces will be wiped down regularly.
 - A portion of our pool deck will be reserved for those wishing to bring their own chairs, umbrellas, and tables.
 - The Snack Shack will not sell any items that require preparation.
 - For the time being, the pool will be unavailable to rent for parties.
 - In effort to limit the number of people inside the pool, guests are not allowed.
 - On weekday mornings an hour will be set aside for adult-only swim during the initial weeks of phase 2, We will evaluate regularly to figure out how to best accommodate those wanting to minimize exposure.
- Early bird membership rates will be honored **until May 29**. You can pay online, by mail, or in-person at the picnic shelter on **Wednesday, May 20 or Tuesday, May 26 from 6-7:30pm**. As a reminder, the CWRA does not own a printer, and cannot accept digital submissions of the membership forms or family photos.

<u>Membership</u>	<u>Early Bird Rate</u>	<u>Price after May 29</u>
Two-person membership	\$300	\$350
Family membership (same household)	\$395	\$425
New membership (never joined the CWRA)	\$295	\$295
Senior membership	\$250	\$250
Swim-team only membership	\$200	\$200

What we don't know at this time:

- Whether Phase 2 guidelines will limit on the number of occupants allowed inside the pool facility at one time.
- In the event of such a scenario, responsible use of the pool will be a team effort. We anticipate leveraging *Sign-up Genius*, or some other online tool, to ensure all have equal opportunity to visit the pool.

Feel free to email us at cwramembers@gmail.com with any additional questions.
