Now, comes the falsely accused, after removal of counsel, to hereby order the UNITED STATES and any agencies thereof, specifically, but not limited to, the FDA to cease and desist, and stand down from filing false and misleading document before this honorable court, effectively wasting the time of the court and the accused in where no victim can be produced before the court. This is shameful display of alleged Governmental overreach and must stop today.

*I hope this finds you well,*

*Samuel, House of Girod*
