

March 2 "Hike for the Homeless"

You've heard the claims: "Republicans have no compassion.

They only care about the rich."

Well, we know that these claims aren't true.

"Fake News," anyone?

The data shows that Republicans are actually more generous than Democrats.

On Saturday morning, March 2, we have a great opportunity to illustrate our compassion and generosity.

St. Joseph the Worker, a Phoenix charity whose mission is

"Transforming Lives Through Employment,"

is sponsoring a "Hike for the Homeless"

to raise funds to support its mission.

LD23 Republican Committee invites you to join your fellow PCs and help the effort.

Select "LD23 Republicans" as your team.

If you are joining the hike, please also send an e-mail

to ld23gop@gmail.com

telling us "I will attend."

Look for Korena Byam or Lisa James at the trailhead when you arrive on the morning of the hike.

If you can't join the hike in person, your donations are very much appreciated.
