

OTTAWA COUNTY COMMUNITY FOUNDATION

2018 GUIDELINES FOR GRANT SEEKERS

The Ottawa County Community Foundation, Inc. (OCCF) is a public charitable organization created by the citizens of the county to enrich the quality of life for individuals and families in Ottawa County. Grants from unrestricted funds support a variety of programs in the fields of education, social services, physical and mental health, safe and positive living environments, natural resources and the arts.

Eligibility

To be eligible, an organization must provide services to residents of Ottawa County. Grants can only be awarded to tax-exempt organizations classified as 501(c)(3) charities by the Internal Revenue Service (IRS). If your organization does not have a tax-exempt ruling from the IRS, you may still apply for a grant by using a tax-exempt fiduciary agent. Contact us if you would like to discuss options for a fiduciary agent.

Restrictions

The Foundation *usually* will not make grants from its unrestricted funds to:

- support the general operating budget of established organizations
- annual or capital campaigns
- tickets for benefits and telephone solicitations
- support sectarian activities of religious organizations

Grant Application Process

OCCF considers grant requests annually. Applications must be submitted by U.S. mail and postmarked no later than March 15 (when March 15 falls on Sunday, applications must be postmarked no later than March 16). *Incomplete applications or applications submitted after the deadline will not be considered.* **Send 2 copies of the grant proposal and 2 copies of all required attachments to:**

**Ottawa County Community Foundation, Inc.

All grant applications are carefully reviewed by a committee appointed by the Foundation's Board of Trustees. Applicant organizations will be notified in writing of approval/denial of funding requests by June 1. *Project expenses incurred by an applicant organization prior to notification cannot be paid by the Foundation.*

Grant Review Criteria

The Ottawa County Community Foundation will place priority consideration on proposals that:

- *encourage more efficient use of community resources.*
- *preserve the area's heritage and contribute to the quality of life.*
- *demonstrate new approaches and techniques in the solution of community problems.*
- *focus on the prevention of problems rather than the cure.*
- *represent an unduplicated opportunity and meet a significant community need.*
