Plan to attend a Pre-Retirement Workshop

Sponsored by the North Wisconsin District & Concordia Plan Services

St. Mark Lutheran Church – 600 Stevens Dr. – Wausau, WI 54401

Either October 21 or 22, 2016 - 9:00 AM Each Day

These workshops are designed for all professional church workers of *any age (and their spouses)* to help them understand the process of planning for retirement and all that retirement entails. As time allows, you will also be able to spend time after the workshop to ask your *own* personal retirement questions. **Paul Snyder**, Retirement and Benefit Educator for Concordia Plan Services, will be leading the workshop. Paul has been on the staff of Concordia Plans for more than 33 years, focusing on helping members understand and better utilize their benefits, especially in planning for the future.

The cost of the workshop is only **\$10** per person. This covers the cost of morning snacks and lunch, as well as all materials! To register contact **Lori Kavajecz** at the North Wisconsin District office: lori@nwdlcms.org or (715) 845-8241 x103. We need to know by October 6th, so don't delay! And share this information with others who might be interested or who could benefit from this workshop.

After you're registered, and shortly before the workshop, you'll be e-mailed some financial worksheets to begin reviewing and also some pre-retirement questions to begin asking yourself to see just how prepared you might be. Remember: The earlier you begin planning the better, but it's also *never* too late to start, or review, your plans!

If you'd like a PDF copy of this flyer to share with others, please e-mail your request to Paul Snyder!

To register for this workshop contact:

Lori Kavajecz (North Wisconsin District) – (715) 845-8241 x103
