Tour the Nuclear Carrier USS GERALD R FORD in the morning and the Hospital Ship USNS COMFORT in the afternoon

Thursday 19 April 2018: Naval Station Norfolk – Explore Two Ships!

USNS COMFORT (T-AH-20) is a Mercy-Class Hospital Ship (1,000 bed, 12 operating rooms, 1,200 medical personnel). In 2013, **COMFORT** was assigned to Naval Station Norfolk to be close to Portsmouth Naval Hospital where most of its medical staff are based. **COMFORT** deployed to the Caribbean last fall to assist in humanitarian efforts after the devastating hurricane damage.

(Note: see page 2 for SHIPS TOUR Schedule)

USS GERALD R FORD (CVN-78) is the Nation's first of a new class of nuclear aircraft carrier. One of the new features of the ship is an electromagnetic launch system that replaces traditional steam catapults. Built in Newport News, she was commissioned in Norfolk last July. The tour will include the ceremonial quarterdeck, tribute room, flight deck, flight deck control and pilot house.
