DESCRIPTION: I've owned several American brand bows, and this little Mark II is really comfortable and accurate. Great performing recurve. Gray limbs. Bow has no delamination; no cracks; limbs are straight. Tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in excellent condition. Overall, this is a really nice bow in excellent condition for its age.
