

WELCOME TO THE 2019-2020 SEASON!

As you may know, public high school sports are primarily self-funded. The San Dieguito Union High School District pays for a head coach and JV coach for Girls Water Polo. Our team has access to the school's facilities and trainer as needed. The district also pays for transportation and our pool time at the YMCA. Teams are responsible for raising funds needed to pay for everything else - additional assistant coaches, parkas, equipment, tournament entry fees, maintenance of equipment, senior night, and coaches' gifts. LCC Girls Water Polo has always relied entirely on parent donations to cover these annual operating expenses. This year, we ask for a voluntary player donation of \$350 per athlete. If you work for a large corporation, please consider any matching fund options.

Sincerely,
Shannon Delaney
La Costa Canyon Girls Water Polo Liaison

Voluntary Player Donation - \$350

- Tax-deductible, parent donation of \$350 per player is asked
- Player donations go into the Girls Water Polo Budget and help cover costs for tournaments, equipment, coaching fees, uniform needs, etc.
- This year we also paid for the new nets and floating goal with the boys team.
- PLEASE note that the District pays for bus and pool time.
