Quotes:

"I have taught for 18 years and and he is one of the top military family students I have ever taught. Very smart and confident and pleasant to be around. I am honored to be able to recommend him for this scholarship. He has shown that not only is he deserving of this scholarship but he will use the scholarship to its fullest potential."**Jarod Martin - Math Teacher**

" The support from the Anchor Scholarship Foundation has impacted the ability for me to achieve my goals by providing me with financial aid support, and stability to attend this University. The feeling I got when I saw the congratulations.... made me feel like all my hard work so far has been paying off. I could not believe that this was happening to me!" **Nathan**
