*There aren't many places that can say this:*

**Eureka Springs has 85+ eateries, yet only 3 of those are chain franchises.**

**Every restaurant, bistro and cafe in the Historic District is locally owned and operated. Some offer ethnic family recipes. Others offer high-cuisine and others offer that Urban-South down-home cookin'. Most of the eateries use only locally grown fresh vegetables, proteins, fruits, coffee wines and sauces. Many specialize in Vegan.**

**Your foodie experience is guaranteed to be one-of-a-kind!**

# NO PLACE LIKE IT IN THE WORLD!

*CREATIVITY IS INTELLIGENCE HAVING FUN. - ALBERT EINSTEIN*

Eureka Springs is the first and oldest art colony in Arkansas. It's a vibrant creative village clinging to limestone walls, nestled in the mountains and surrounded by water. Bohemian in its vibe, enthusiastically green and progressive in its outlook, Eureka Springs is the cultural "island" of Northwest Arkansas.

The quirky 'cosmo-urban' atmosphere is alive all year with visual and performance art, music, film and literary events.

If you love to eat, you'll love Eureka Springs' distinctive local restaurants, bistros, pubs and clubs. Dress up or down, we don't care. Clubbing and dining in Eureka Springs is all about good food, good spirits and good friends. It's an experience.
