Over 30 people came to the Rye Town Museum for our Annual Tea and Open House!

The event was a great way to get to know more of our members, show the newly revamped museum, and to get ideas on ways to add technology and exhibits to the space.

For those of you who attended, a heartfelt thank you!

Odiorne1623 Meets Portsmouth400
Volunteers Needed for Planning Committee

A Major, Multi-year Project

RHS has formed a committee ("Odiorne 1623") to begin recognizing the 400th anniversary of the first European settlement in New Hampshire at Odiorne Point in 1623. The committee has met several times since last year including one meeting with Portsmouth400's Susan Labrie. We are seeking additional volunteers related to their areas of interest with a special focus on Odiorne Point as well on the entire town of Rye. A special one page flier has been created by committee chair Janet Davis which is available on request. The committee sees this project as a multi-pronged initiative to galvanize interest in every aspect of the town's past, present and future.
