Presented by:

Healing Moments[™]
for Alzheimer's
EST **IMPROV**

Informative and inspiring conference presentations by renowned dementia care professionals and an engaging and enlightening play developed by *Healing Moments for Alzheimer's* are being offered to the Sarasota community and beyond. Professional and family caregivers, friends, community service professionals, business owners, members of religious congregations, and all those who care about persons with dementia are invited to attend. In addition to learning about new research and perspectives about Alzheimer's and dementia, participants will learn and practice unique techniques—grounded in science and based on improvisational theatre exercises—for:

- Communicating and making emotional connections with persons with dementia
- Maintaining and enhancing relationships
- Increasing cooperation
- Reducing caregiver stress and improving satisfaction in the caregiving role

CEUs for professionals are pending for 6 contact hours for the Conference

Conference: \$40 for family & friends; \$75 for health care professionals, includes CEUs. Play: \$15
