

If you “feel” unqualified, what could you do to “learn” what you need to talk spiritual talk to those around you? (Note- What God commands, He enables)

Be the Church Part 3

Read 1 Corinthians 12 & Romans 12; What might your spiritual gift be? Think and pray about how God designed you for the circle you live in, how He might be using your character, personality, testimony, and skills to draw people to Himself.

How might you encourage (give courage) those you interact with in Church? In your family?

So much of the world is angry. How might we minister to someone who is angry about the government, about the economy, etc.? Use scripture.

If you have never been born again, contact Pastor Keith or a trusted Christian friend this week to find out how.

others to _____.

Questions for reflection and discussion:

What can you do to not “forget” that you are in the ministry to those around you? To remember God placed you where He wants to use you to reach/encourage others?

Who comes to mind when you think about your ministry to those in your life? Pray right now for God to guide you in how to speak to them.

(Especially if you are married), consider how your temperament compares or contrasts with Galatians 5:22,23. What might you need to focus on to work with the Holy Spirit to grow the better fruit?
