### **Quotes:**

“Her intellectual discipline has a mirror in her discipline as an athlete, a swimmer capable of long arduous training, just as her scholarly success depends on both mental keenness and long hours in the lab and the library. All the more impressive is that when she leaves the pool or the library stacks, she is such good and inspirational company.” **Michael Levenson** - William B. Christian Professor

“This is the second anchor scholarship I have been offered....Thank you for your generosity towards military dependents and for your confidence in my abilities and my future.” **Natalie**
