The 1989 Avion is the epitome of livability.

Throughout, tasteful furnishings and proven floor plans contribute to fun, relaxation and the joy of long-term vacations. The classic woodwork and brass hardware make a statement of all-American, through and through.

The 1989 Avion is tastefully trimmed in blue, burgundy and grey . . . a dynamic statement of its fine quality. It is totally prepared for extended travel with full residential level interior appointments.

A LIGHTING

Residential lighting is contributed by the new reading lamp. It's portable and may be used throughout the Avion living areas.

B BEDROOM

Depending upon the model, Avion travel trailers are available with twin, double or queen bed as shown. The Sealy® mattress is standard equipment.

C AM/FM STEREO

The front overhead cabinet contains the AM/FM/Cassette stereo tuner. The tuner is equipped with "seek and scan" and is all electronic. Four 2-way speakers are included in the sound system. Cassette tape library trays are spring loaded for safe tape storage and travel security.

D TV CABINET

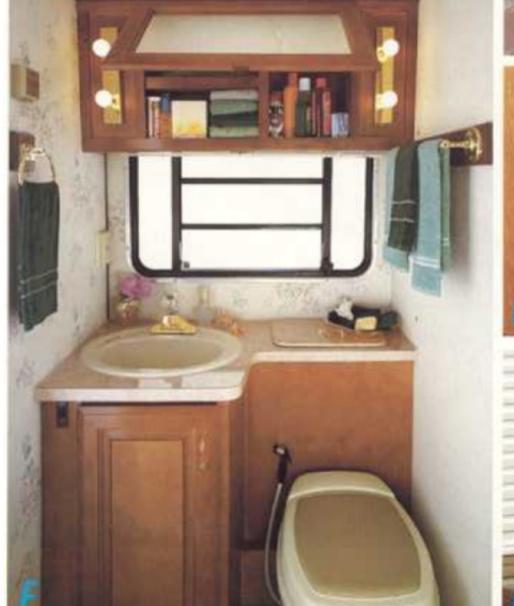

The TV table is designed for the contemporary, portable TV. The shelf recesses out of the way when not in use (in select models). TV antenna and wiring for the park cable TV co-axial cable is standard.

E BATH

All Avion models are equipped with a large tub/shower for personal convenience and comfort. A cast-in shower seat and Fan-Tastic® vent fan are included. The bath vanity countertop is covered with self-edged high-impact marble finish laminate for durability and elegance. A residential quality single-mix faucet is standard.

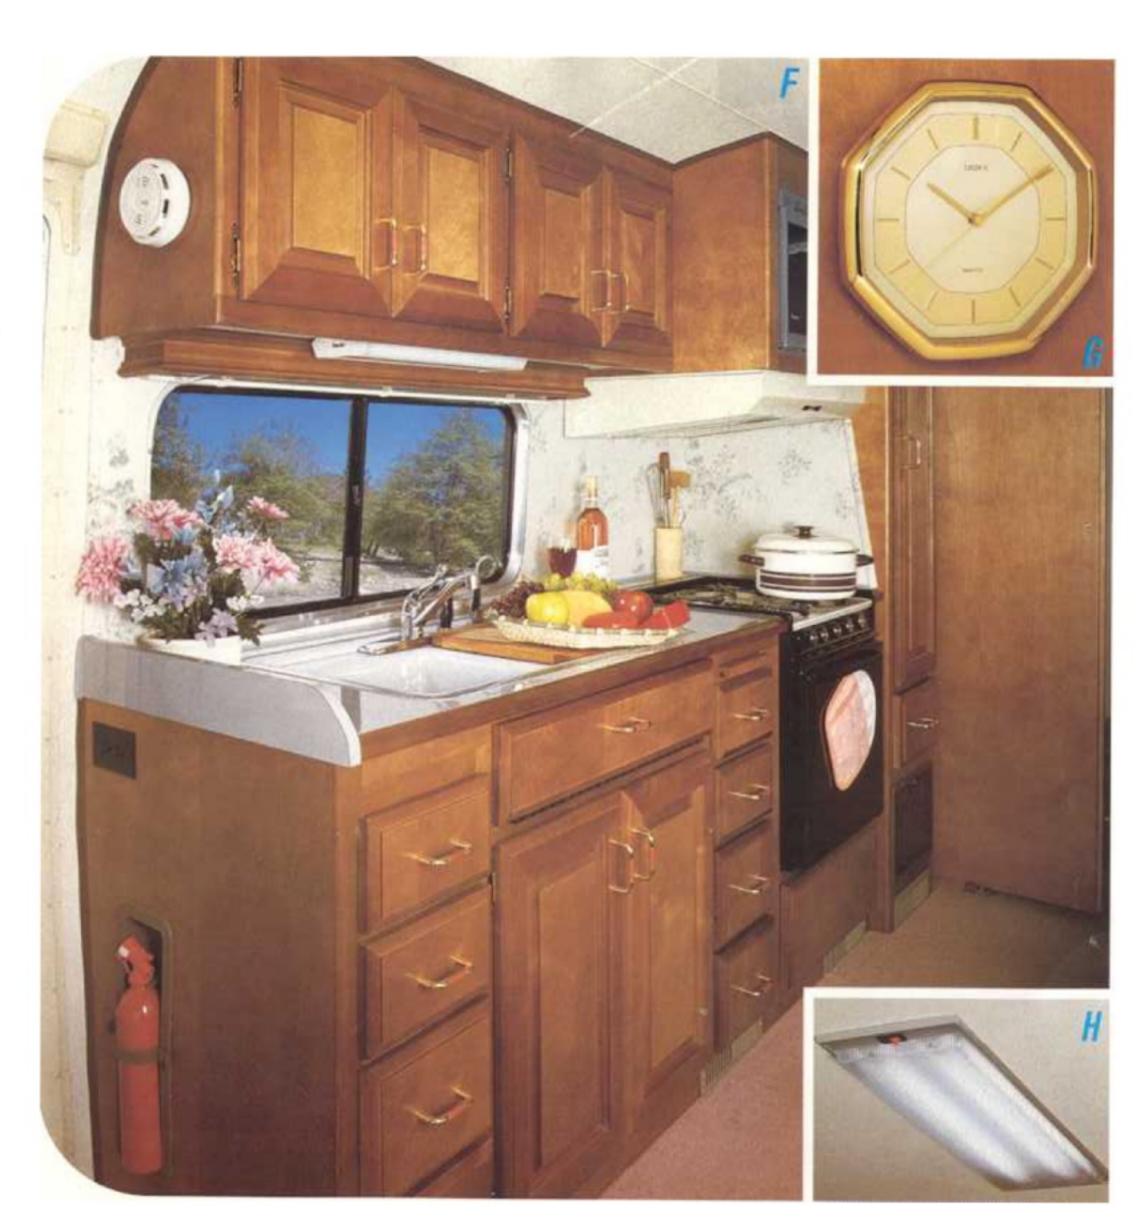

F GALLEY

Avion's galley reflects careful planning with its large, overhead storage cabinets. The double bowl residential quality porcelain sink is equipped with single mix faucet plus purified fresh water dispenser. A four burner LPG range/oven and Magic Chef® electronic "Touch Control" microwave with "Browning" oven are standard. An optional 4 burner cooktop and deluxe convection/microwave oven is available.

G CLOCK

This residential wall clock is also part of Avion's impressive interior.

H RECESSED LIGHTING

Interiors are enhanced by Avion's recessed fluorescent lighting.

International Travel Club

Membership in the Avion International Travelcade Club is available to all Avion owners. Highlights include professionally planned Travelcades, three International Rendezvous as well as State Unit Rallies. The club offers the ideal opportunity to make new friends and enjoy the camaraderie found with Avion ownership. For complete details, contact

Executive Secretary Avion Travelcade Club, Box 236 DeBary, Florida 32713

Nationally known products within Avion include: Magic Chef®, Dometic®, Scotchgard®, Flexsteel®, Suburban®, Sealy®, Armstrong®, Wilsonart®, Hydroflame® and Coleman®.

A DINETTE

You'll dine in total comfort while seated on the 5" thick Superfoam cushions. Scotchgard® protected upholstery provides durability and easy maintenance. Beneath each seat, a generous storage compartment for less frequently used items. Flex-O-Lator® springs and hardware provide residential comfort plus 2-position seating for dining or relaxing.

B ELEGANT DETAIL

Both the dining table and galley tops are trimmed with wood to enhance the quality interior in the 1989 Avion.

C MONITOR PANEL

Avion's monitor panel contains a 12 Volt disconnect switch to power down all 12V circuits when not in use. Other functions include LP gas reserve, battery condition, barometer, thermometer and hygrometer.

Step aboard on Avion's durable steel double step that has rounded corners and non-skid edges for your personal safety. Convenient night lights are also included.

An all aluminum LPG tank cover protects the LP tanks from road hazards. The hinged ABS top allows for quick inspection of the visual gas reserve gauge.

Avion Hidden Features

Wall Construction

In line with traditional aircraft construction, Avion's inner aluminum wall and outer aluminum skin is supported by aluminum ribs and stringers. The Thermo-XTM insulation is foamed in place and creates uniform thermal and sound insulation throughout. New Dura-Brite® exterior offers easy maintenance and superior finish.

Floor Construction

Floor construction assures the strength, durability, and convenience you expect from Avion. All water and plumbing lines are contained within the floor and protected by the full length all metal underbelly. Basement floor construction differs somewhat.

AL-KO® Suspension

Tested on Europe's Auto Bahn, AL-KO® suspension provides incredibly smooth towing and handling — for your safety and protection of on-board personal goods.

Fully independent suspension • Patented hexagonal design for maximum shock absorption • Safe, smooth, quiet ride • Maintenance free, no metal to metal contact • Faster, easier installation • Lower center of gravity, improved stability • Capacities from 500 to 7,000 pounds • Manufactured in U.S.A.
