This year we are flying high beside Princess Jasmine ... an incredibly independent and strong young lady. She isn't afraid to speak her mind, no matter who she's up against, and won't hesitate to stand up for what's right. She is extremely compassionate and caring towards her kingdom, her family, and her friends. She knows that she shouldn't let anyone else decide her future, and in her adventure to self-discovery, breaks out of her comfort zone to find a whole new world just outside the palace walls.
