

New Hampshire Department of Education - Student Survey
EVALUATION OF NEW HAMPSHIRE

Younger Youth Survey

Dear Student:

To help make this afterschool program better, we are surveying students to learn their thoughts about it.

This survey is voluntary. If you do not want to fill out the survey, you do not need to. However, we hope you will fill it out because your answers are important.

This survey is private. No one at your school, home, or afterschool program will see your answers.
