

The Mortgage Bankers Association of Mississippi is the oldest association representing the real estate finance industry.

Founded in 1954 and headquarter in the capital city, MBA of MS works to:

- Promote the welfare of the mortgage lending industry and related service providers in Mississippi and to improve it's service to the community.
- Ensure the continued strength of the state's residential real estate markets by making mortgage banking interest are represented at every level of government.
- Encourage among its members sound ethical business practices in the origination and serving of real estate mortgage loans.
- Expand homeownership prospects through increased affordability and extending access to affordable housing to all Mississippians.
- Provide a platform from which members of the mortgage lending industry can express their views on practices and legislation affecting the industry.
- Advocate the position of mortgage bankers at the state and local decision making levels including providing lobbying efforts and grassroots support.

Your Legislative Resource

The MBA of MS has protected the profitability of Mississippi lenders for over 50 years. The association uses a portion of membership dues to lobby state and federal legislators on behalf of the mortgage lending industry. The MBA of MS has established relationships with key political figures and has a presence in the Capitol building. During session, the organization monitors all issues on a state and federal level and keeps its members abreast of the changes in legislation occurring that can affect this industry.
