2019 Pierceton Days Festival Sponsorship

On August 2nd and 3rd 2019, the Pierceton Chamber of Commerce and Pierceton Fire Department will be partnering to host the annual Pierceton Days Festival. For decades, the annual Pierceton Days Festival has provided the community a time to celebrate their hometown and honors those that make this such a great place to live, work, and play. For this reason, we are excited to announce the 2019 theme of “Honoring your Hero” as we honor these people who continue to make Pierceton, Indiana a great place to be.

This year we are excited to see substantial growth in the festival. We will continue to have live entertainment, your favorite festival foods, games and attractions. As well, we are excited to have multiple vendors offering many services, goods, and craft items along with informational booths. We are excited to continue to offer the community a festival that requires no entry fee making it a more family oriented celebration.

As we have started planning this year’s festival, we are reaching out for your financial assistance to make the festival again a success. This year we are excited to announce a tiered system to our donors.
