Dear Karl,

On behalf of The Jacobs & Cushman San Diego Food Bank, but more importantly those we serve, I want to thank you all at San Diego Air Cooled for partnering with us once again for your food drive event! Your commitment to fighting hunger is evident: your recent food drive helped bring in an amazing total of **894 pounds** of food that will allow the Food Bank to provide **745 meals** to those in need. That, in combination with your **\$20 monetary donation**, brings your grand total to **845 meals** provided. That is a wonderful impact! Please share our gratitude with all who were involved.

More than 1 in 7 people in San Diego County face the threat of hunger every day. With the addition of the North County Food Bank, we now provide emergency food to 600,000 children and families, active duty military, and fixed income seniors living in poverty every month. You make it possible for them to bridge the gap between their limited income and their dinner table.

Your continued support is vital to our success and we deeply appreciate it. Thank you again for making a difference through this food drive.

Warm regards,

James A. Floros
President/
Chief Executive Officer

P.S. Your support for the Food Bank is helping to provide emergency food for vulnerable populations impacted by COVID-19. For more information about our response to COVID-19, visit: SanDiegoFoodBank.org/Response
