President's Message—More than a Conference

Matt Maw, NSBEA President

While most people are thinking of changing seasons from Winter to Spring, I begin to think of the transition to conference season. DECA & FBLA hold their respective state competitions and prepare for nationals. Technology teachers may attend NETA and some will attend ISTE. As NSBEA members, this is the time of the year we are attending NBEA, NCE, and M-PBEA. All of these conferences contain a great value of professional development; however, the conference itself is traditionally just the beginning. There is so much more than just the event.

Conferences in themselves have so much to offer but there is so much more to benefit from everything taking place around the event. Opportunities for extended time with other business teachers come in a wide variety of forms including outings to see local sights, sitting down for a meal, and the spontaneous conversations that come from seeing one another at the various sessions. The quality of these 'extras' allow us to network professionally, learn from one another, and provide a

better experience for our students.

As NSBEA members, we have two great opportunities to experience a great conference and soak in all the extra experiences that make the conference something more. The NCE conference will take place in Kearney June 4-7 and Nebraska will host the M-PBEA in Omaha the following week, June 10-13.

I look forward to seeing you at these upcoming conferences and experiencing the 'more' with you.

NBEA Convention 2018 in Baltimore

NSBEA members gathered in Baltimore for the National Business Education Association 2018 Annual Convention. Program Director Dr. Patricia Arneson and her program committee, including Nebraska's Mona Schoenrock, provided a solid offering of workshops and sessions. Presenters from Nebraska included Angela Chittick, Jean Condon, Jodi Dierks, Dawn Friedrich, Lucas Hartman, Brian Kufner, Kyleigh Lewis, Kathleen McCune, and Shelly Mowinkel.

List of Attendees: Patricia Arneson, Jimi Cole, Jean Condon, Angela Chittick, Jodi Dierks, Dawn Friedrich, Teresa Feick, Lucas Hartman, Pat Hinkle, DeLayne Havlovic, Kyleigh Lewis, Dennis Krejci, Brian Kufner, Matt Maw, Kathleen McCune, Shelly Mowinkel, Jodi Nielsen, Erin Sackett, Wanda Samson, Mona Schoenrock, Sue Sydow, Kari Tunink, Amy Wagner, Deb Wolken, Vicki Wooten

**Congratulations to Dawn Friedrich, NBEA
Secondary Teacher of the Year!**

New CIS Programs of Study and Middle School Courses

During the summer of 2017, business and technology teachers spent two days in Lincoln writing and updating standards for Communication and Information Systems. At the end of two days, the teachers developed two programs of study and wrote standards for 3 new middle school courses.

The standards for these courses are on the Communication and Information Systems CE Standards Webpage: https://cestandards.education.ne.gov/Subject_Link.aspx?Sub=Cm

Nebraska K-12 Technology Scope and Sequence

Have you ever wondered what technology knowledge and skills students should have at each grade level? This summer a group of teachers developed a technology scope and sequence for grades K-12. This document is broken up into seven areas (Basic Technology, Productivity Application/Tools, Digital Media, Digital Citizenship, Research, Communications/Collaboration, and Computer Science/Programming).

The standards in the document do not replace the 7-12 grade Communication and Information Systems course standards. This document was developed to provide school districts with a guide for when to teach technology knowledge and skills.

BMM Standards Revision Process

The Business, Marketing and Management Standards and BMM Programs of Study will undergo the NDE Standards Revision Process this summer. A group of 28 BMIT teachers from across Nebraska will be a part of the standards revision team. The revision process will take place June 19th and 20th in La Vista at ESU 3. After the revision process takes place, the standards will be shared out for public review. During August/September, we ask BMIT teachers, community members, parents, former students and other stakeholders to share their input on the newly revised standards. Please look out for the review process instructions via the listserv. More Information about the standards revision process can be found on the following links:

MAKE NSBEA MEMBERSHIP RENEWAL A PRIORITY NSBEA Members Who Retired in 2017

Are you looking to retire in the near future? Would you like to be recognized for your hard work and dedication given to business education in Nebraska? If your answer to both questions is YES, then you will want to make it a priority to renew your membership in NSBEA for the coming year.

Qualifications for Honorary Membership

According to the Bylaws: Honorary membership may be granted to persons who at the time of their retirement have been involved in business education in Nebraska and have been members of NSBEA for a period of at least five consecutive years immediately prior to retirement.
