DESCRIPTION: The iconic Ben Pearson Pinto was one of the most distinctive bows ever produced. This old gal is still in good shape. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No crazing or stress cracks. There were a number of blemishes, scratches, and superficial stress lines on the limbs. The limbs were stripped, the stress lines filled with Loctite, and re-stained with white Indian ink. Then several coats of oil based poly. There are a few minor scratches and nicks here and there. The original decal was left intact, but it is in poor condition. Overall, this is a really nice bow in excellent condition for its age.

Comes with a new string.
