Blackberry Roasted Pepper Jam is delightfully **MILD** with the earthy sweetness of blackberries just off the vine. Hickory smoked peppers lend to its unique flavor and blend wonderfully with a turkey club. For a spicy treat, drizzle this jam over vanilla ice cream.

Peach Three Pepper Jam combines the summer goodness of fresh peaches and the **HEAT** of sitting fireside. This smooth jam is excellent as a condiment on steaks or even with caramel chocolate! It also adds a delicious kick to your morning eggs.
