## *Christmas Mix 'n Mingle Games*

### Who or What Am I?

Play this as guests begin to arrive. "You may ask each person only three questions at a time. You must ask questions that can only be answered by "yes" or "no." For example, "Am I a Christmas animal?" "Am I a Christmas carol?" "Do I hang on a tree?" As people guess who or what they are, they place the label on their front. Encourage everyone to discover who they are before the next event.

Below are suggestions for Christmas words to use. Write these on self-stick labels before the party and put them on people's backs after they have received their nametags.
