## LUNAR TETRAD PATTERNS SINCE 1493 RELATED TO THE COMING ORDER AND ISRAEL

The purpose of this illustration is to highlight the Tetrad of 1493-94 that saw the start of the New World Order, literally as the New World was discovered. This discovery of the 'New World' is attributed to Christopher Columbus although it is well known that other civilizations and explorers had visited and even settled the Americas. This is also not to say that Columbus was not the first European as initially the Americas were settled permanently by various indigenous peoples all ready. What Columbus brought was the New World Order matrix that affected all aspects of life. With this premise, the timeline presented in this chart suggests that the last Tetrad in this series, that of the 2014-15 one specifically is linked to the New World Tetrad of 1493-94 in that a New World Order is also about to commence. This New World Order will also see the same blueprint of conquest and upheaval as new orders will be had, political, economic, religious, etc. This New Order will possibly see the 3<sup>rd</sup> Temple rise as the 2 Beasts of the Book of Revelation will spearhead this new matrix as much as it was with Columbus. It was the fusion of the religious Roman Catholic Church with the Kings of Spain that forged the New World Order and introduced slavery to add. With this possible parallel in mind, there will thus be a New World Order. It will likewise be headed up by the Roman Catholic Papacy, the 2<sup>nd</sup> Beast that will constitute the False Prophet that gives and leads all to the worship of the 1<sup>st</sup> Beast. This will be the coming AntiChrist that will be accepted as the Messiah as the political leader of the 1 New World Order. What is unique about the Tetrad of 1493-94 is that it is the last before the culminating series of 3 sequential Tetrads begin in 1949-50. There is a long span of time in-between these 2 Tetrads of about 458 years and 522 years to the last Tetrad of the sequence on September 28, 2015. What this chart will also insinuate is that a possible prophetic template of a 7 week period could be superimposed on these Tetrad occurrences since the one in 1493-94.

The 1<sup>st</sup> Day of this prophetic week would correspond to the New World Tetrad after Columbus in 1493-94 and so on. If this pattern is valid, then the 7<sup>th</sup> Day corresponds when the last of the Tetrad sequence occurred, the 2014-15. This supposition could suggest that the last Tetrad is a culmination and an end of a time sequence perhaps. This could allude to there being a start to the Millennial Kingdom to come sometime after the Tetrad of 2014-15. What is being suggested is that the New World Tetrad of 1493-94 leads to the 3 sequential Tetrads of 1949-50 then 1967-68 and then the 2014-15. What many Bible scholars suggest is that this 3 prong Tetrad series is related to a degree prophetically to the restoration plan of Israel. This sequence does approximate the restitution of 1<sup>st</sup>, the Nation in May 14, 1948. Then the subsequent restitution is that of the Old City with the Temple Mount. What must follow then is the rebuilding of the Holy Temple in the year 5776 as that is when the Tetrad concludes, precisely on September 28, 2015. This specific date correlates to the Feast of Sukkot or Tabernacles that perhaps is in itself a foreshadowing of the building of the permanent 'booth' or Temple of the LORD for all the nations to come as it will be a House of Prayer.

### DATES OF THE LUNAR TETRAD COUNTDOWN

Below are the specifics of each of the Tetrad occurrences since the 1493-94 New World Tetrad. If the pattern is valid, then the end of the 2014-15 Tetrad sequence will possibly be a New World Order much like it was for the New World that involved the reconfiguration of all aspects of trade, economies, political structures, religion and social orders.
