**Re: Estrella-El Pomar-Creston Water District
Revised Condition 11**

Dear Mr. Church:

I am the Secretary/Treasurer of Estrella-El Pomar-Creston Water District ("EPCWD") and a member of the EPCWD Board of Directors. This letter is in reference to the Staff Report for the SLO LAFCO meeting scheduled for February 21, 2019. I have reviewed the proposed change to Condition 11 and I am prepared to recommend to EPCWD Board that EPCWD adopt a resolution accepting Revised Condition 11 once SLO LAFCO adopts the Revised Condition 11 and finding that EPCWD is in full compliance with all Conditions of Approval associated with the formation of EPCWD. I understand that any such finding by SLO LAFCO would be contingent on EPCWD adopting a resolution accepting Revised Condition 11 within 60 days of February 21, 2019.

Sincerely,

Jerry Reaugh
