We created this Website Privacy Policy (this "Policy") to give you confidence as you visit and use the Site, and to demonstrate our commitment to fair information practices and the protection of privacy. This Policy is only applicable to the Site, and not to any other websites that you may be able to access from the Site, and not to any other websites that you may be able to access from the Site, each of which may have data collection and use practices and policies that differ materially from this Policy.

Although we serve children between the ages of seven (7) and seventeen (17), we do not use our website to collect any data on any website visitors. We understand and are committed to respecting the sensitive nature of children's privacy online. We do not set any personally identifiable information in cookies, nor do we employ any data capture mechanisms on our website other than cookies. Cookies help us learn which areas of our site are useful and which areas need improvement. You can choose whether to accept cookies by changing the settings on your browser. However, if you choose to disable this function, your experience at our website may be diminished and some features may not work as they were intended.
