Hey - All Apalachee Heritage Tennis Players!

Looking for a way to improve your game? Well then here's a great way to do it. Why not use the HOA's Tennis Tutor ball machine?

To gain access to it you will need to attend a very short training session and sign a simple waiver of liability form stating that you understand how to operate the machine in a safe manner and that you agree to do so. That's it! Its free and there are about 100 practice balls with a ball hopper making your training sessions a *breeze!*

Set up your training session by emailing: Tennis@ApalacheeHeritage.com
(you must be an Apalachee Heritage resident in good standing & you must be at least 18 years of age to operate the machine without parental supervision)
