THE NEW LIFE TREATMENT CENTER DWI/DUI SUBSTANCE ABUSE EDUCATION PROGRAM

Who is this program for?

DWI/DUI offenders or other types of offenders who need education regarding the use of mood altering substances.

What can I expect?

We will work through an evidence based Driving with Care workbook.

This curriculum will include: review of what events brought you here, a cognitive-behavioral approach to preventing future DWI charges, information about making responsible and careful decisions about alcohol and drug use and specific ways you can prevent relapse.

What is the purpose of this program?

The purpose of the New Life Treatment Center DWI/DUI Substance Abuse Education Program is to educate you and help you develop skills to prevent future driving offenses while under the influence of substances. Also, to avoid a pattern of alcohol or drug use that may lead you to break the law in other ways. This class will help you recognize thought patterns that could lead to a DWI or DUI or other substance abuse violations, and the tools you can use to prevent a future violation.

Why should I attend?

This program can fulfill education requirements mandated by the court for DWI/DUI offenders, possession charges or other violations of the law while under the influence. Also, to learn about alcohol and substance abuse and to help you explore if you have a dependence to a mood altering substance.
