

- Due to the midterm transition of the AVUTA President to full release, with one year remaining, the President's classroom materials do not have to be removed from the current classroom and site location. A temporary teacher will be hired to backfill the position for the 2017-18 school year. As long as the site would have maintained the same position in the 2018-19 school year, the President shall return to the position of teacher, within appropriate credential subject area. The assignment will be made based on Article 11-Assignment/Reassignment. The courses taught are at the discretion of the site administrator.
- In the event that the AVUTA president is unable to finish their term due to illness, personal issues, or resignation the vice president shall assume the duties and full release of President until the next election, full release shall begin as soon as an appropriate teacher can be secured for the replacement.
