

Coldspring Methodist Offers Opportunities for Worship

You have several options for worship services at Coldspring United Methodist Church in the month of May. First, at 8:30 a.m. we will have an outdoor worship service at our outdoor worship center behind the Christian Family Life Center, weather permitting, every Sunday in May. If it is bad weather, we will move to the sanctuary and wipe it down afterward to make it safe for the 11:00 a.m. worship service. Bring something to sit on like a cushion or a towel for the benches in case they are wet or dirty, or bring your lawn chair, or sit in your vehicle. Also, bring an umbrella for shade. Please observe a social distance of six feet between household groups. Greeters will be directing traffic for us, so you can park in the parking lot and walk back to the area or take your vehicle all the way back to the worship area.

Second, you can watch the live-stream service from your home at 11:00 a.m. or at a later time of your choosing. Go to the church website, www.coldspringmethodist.org, and click on the link for our Youtube channel and then on the link for the worship service you desire to watch. This, of course, is your safest option. Since we will be live-streaming and not pre-recording, the YouTube service will not be available before 11:00 a.m. on Sundays.

Third, you can join us for worship in the sanctuary at 11:00 a.m. as we livestream. If you attend, you will be required to practice social distancing and sit at least six feet apart from other individuals or family groups. Our worship team members have designated non-seating areas to help us maintain social distance. You will be asked to use hand sanitizer before you enter the sanctuary and wear a face mask. If you don't have a face mask, some of our volunteers have made cloth ones, and you will be given one on Sunday if you need it. After wearing it in church, you should take it home and wash it and use it anytime you are in public. With social distancing, our seating capacity will be limited, so if we run out of space, the overflow crowd will be directed to the fellowship hall where you can view it with others by live-stream while maintaining social distance.

You are encouraged to wear your face masks anytime you are on the church campus. Regular church office hours have resumed, Monday through Friday from 9:00 a.m. until 3:00 p.m. The church is located at 1 Cemetery Road in Coldspring, across from Paradise Grille.
