To the Sherburn and Welcome City Councils,

The department logged 194 calls for service in the month of December. This brings the total to 2,114 calls for service through the end of 2018. In comparison, the department responded to 1,903 calls in 2017 and 2,000 calls in 2016. This is a new record high number of calls for the department.

97 calls were in the City of Welcome while 71 were in the City of Sherburn. The remaining 26 calls were outside the city limits and include assisting motorists or the Sheriff's Office.

The average response time for the month was approximately 2 minutes. This is around average for the department.

The department web-site had 2,311 visits in the month of December. This is just under the normal average of 2,500 visits each month.

The new camera systems were installed in the squad cars and we are getting acclimated to them. They work very well and offer several options that were not available with the old system. These cameras were paid for with grants from Valero and Martin County Area Foundation.

I hope everyone had a great holiday season.
