### Campbell's Corner

#### **Greetings to all our Family and Friends,**

We thank and Praise God for you the ***"Beloved of God"*** and for all that you are doing for the Mangohick Baptist Church and the Kingdom of our Lord.

On tomorrow as we will celebrate the 240th birthday of our country we still remember and "we hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

Special thanks to the Vacation Bible School Staff (VBS) for a very blessed time during VBS. The attendance was very strong during each night. I believe everyone thoroughly enjoyed and were blessed by the lessons, the food and the fellowship each night.

We have several ministry outreaches scheduled during the month of July and August; to include the ministry outreach at Whitestone Baptist Church in Baltimore, Maryland.

We have the Mattaponi Baptist Association taking place within a few weeks. We pray that all who can, plan on attending some of the sessions during this time. This will give you a broader perspective of what other ministries are doing in the Body of Christ and it will also help you to understand the Ministry efforts of the Mattaponi.

Our "Attitude" is the powerful force that ***attracts*** others toward us or ***repels*** them away from us. Many gifted people never taste the rewards of their abilities and creativity because their Attitude makes them undesirable to be near. Your Attitude is the ***force*** that determines whether we multiply or decrease. **We are responsible for correcting and changing our own attitudes.** When we ***change*** our Attitude, we will ***change*** the world around us. Attitude is the power tool God uses to help us avoid and overcome the negative circumstances in our life. That is why the Apostle Paul learned to be content and happy, *regardless* of the state or situation around him. His attitude of ***Thanksgiving*** made the difference. (See Philippians 4:11.)

Lastly, as always continue to keep and pray for our sick and shut-in members.

*Pastor and First Lady Campbell*

## ~ THE MONTH OF JULY ~

### Transformed: My Life in God's Kingdom

Transformers impact our lives every day –  
...and we never think about it!

Before electricity comes into your house, it first must pass through a transformer to lower the voltage. You likely have several transformers even inside your house. Computers and chargers often have transformer boxes attached to their power cords, reducing the voltage even further. Too much power can destroy appliances and gadgets. Our lives often experience the opposite. We don't have enough power – if we have any at all. While some electrical transformers are able to boost electrical power, we unfortunately can't manufacture anything like that to increase the power in our own lives.

But Jesus can. Matthew 6-7 is a part of Jesus' Sermon on the Mount, a sermon that shows us the path to transformation. When we live in Him and apply His teachings to our lives, we are truly transformed and empowered. Jesus connected our relationship to God and His Kingdom to every aspect of life. In other words, a relationship with Jesus doesn't just transform us spiritually; it transforms every part of our lives, and gives us the power to live daily for Him.

#### **July 3, 2016 – Transformed in my Actions**

The Passage: Matthew 7:1-12

The Point: The way we treat others should reflect the way we're treated by God

#### **July 10, 2016 – Transformed by my Choices**

The Passage: Matthew 7:13-27

The Point: Choose to follow Jesus

### **RE-FINANCE: Ancient Wisdom for Modern Money Management** **Money, Money, Money**

Money can be a helpful tool and a valuable resource, but it makes for a lousy boss. Ask people their opinion about money, and you'll be left with a variety of answers: they love it, hate it, spend it, save it, want it, work for it, beg for it, borrow it, steal it, invest it, and give it. Sure, we need money, but many of us are often left weary and frustrated when it comes to our finances. We often feel managed by the very thing we are trying to manage.

But what if the richest and wisest man who ever lived offered a free financial seminar? No gimmicks. No get-rich-quick schemes. Just practical life principles for managing money?

- How should you get it?
- What should you do with it?
- What about long-term investments?
- How can you bless others at the same time?

Through the writings of King Solomon, God has provided us with all of these answers and more. In this study, we will examine principles from the ancient wisdom literature of the Old Testament to provide clear direction for money management.

#### **July 17, 2016 – View Money Properly**

The Passage: Proverbs 23:4-5; 30:5-9

The Point: Contentment and security rest in God, not in money

#### **July 24, 2016 – Make Agreements Cautiously**

The Passage: Proverbs 6:1-5; 22:7

The Point: Avoid financial obligations that could sink you
