Challenge of the Month

March 21 – April 25

Welcome to the fourth WFES STEAM Challenge of the Month! This is a STEAM activity for you to do at home as a family. Be creative, have fun and use the Engineering Design Process as you work on your challenge. **Photos of all creations are due on April 25th.**

If you have any questions or need more information, please feel free to contact me at: TLcannon@fcps.edu. I can't wait to see what you create!

STEAM

Challenge

Create your own Peep Diorama!

How to participate:

It is time to channel your inner marshmallow artist and create a scene using Peeps! Inspired by recognizable events, your diorama can portray a famous scene, an historical event, a current event, a slice of life or an expression of pop culture. Let your sense of humor and imagination be your guide!

Use this challenge to be *creative* and learn!

When you've finished the challenge, please email a photo of your project to:

Ms. Cannon: TLcannon@fcps.edu. All projects are due by April 25th, 2017.

Photos of the submitted STEAM Challenges will be displayed at school for everyone to see!

Have fun!
