

What we do:

As Volunteers our primary mission is serving the veteran community and the community we live in.

HONOR GUARD

Our most important function:

- The support we provide on a volunteer basis to any veteran, including homeless veterans at the time of their burial.
- We believe every veteran has earned the right to receive full Military Honors at the time of their interment. Honoring our dead veterans is our obligation in appreciation of the sacrifice they have made to keep us safe.
- We also support Monthly Memorial Services at the Balboa Park Veterans Museum, the VA Hospital and at the Chula Vista Veterans Home.

COLOR GUARD

Opening color guard events such as:

- Veteran and Military Memorials and the exhibit of the Vietnam Wall
- Presidential nomination campaigns for President George W. Bush and President Barack Obama
- State of the City address by the city mayors of San Diego and National City
- Super Bowl, Padres Games, little league openings
- Memorial Day at La Vista Memorial Park and IB Veterans Park
- Support of our Wounded Warriors

And many more ...

We support an average of 150 events a year. We have no sponsors and rely on donations to help us continue providing these services to the veterans and the community we live in.
