

## All The King's Horses CHILDREN'S RANCH

August, 2018

### THE MIRACLE IS ...

July 26 was the first day back to school for Benson. With the children in class, the Ranch moved their households around from one home to another. As we continue to pray for incoming Parent Models, we closed up the Appaloosa Home which Jenny and John Manchester were in. They moved over to the El Caballo Blanco (ECB) home; and the Valenzuela's moved from there into the smaller Palomino. Moving furniture

around from one home to another as preferences determined, and then moving all their personal belongings in this heat was no small ordeal! On top of that, the move automatically initiated some serious deep-cleaning! Now I know why our grandparents called it Spring Cleaning — because the first part of August is too HOT to be doing such hard work. What a team the Ranch is though! Everything is done, and Daina said, "The miracle is ... that the next morning nothing hurt on my body!" Overages of 'stuff' was pared down. The homes look refreshed. The children in our care have taken it in stride. And today, Saturday August 4<sup>th</sup>, everyone is doing what they want at a relaxed pace.

*Thank you for praying for the Ranch and the children and the Parent Models. But please don't forget the Board members. Jim Cox is the Ranch Treasurer. He handles the myriad of IRS and State audit legalities; as well as day-to-day break out of income and expenses which he presents to the Board at the monthly meeting. Yesterday Jim went in for a heart surgery procedure that is quite unique. All is well today! Praise the Lord!! And can you believe it?? The miracle is ... Jim will be back to work on Tuesday! Last week while we were discussing the Lord's use*

*of the Ranch property, Jim was praising God. He said something that I jotted down immediately to share with you. He said, "I can't think of any better benefit to the world than what the Ranch contributes to the lives of children. Can you?" I answered, "No I can't." What about you, Reader? How do you respond to Jim's declaration?*

A merry heart  
does good, like  
medicine.

*A big shout out to JASON MARKS, who blessed the Ranch by making us the target of his Eagle Scout Project. From beginning to end, Jason was a delight to 'work' with. He did all the work, we received all the blessing!! Jason built the Ranch a much-needed single bed. He also built two benches; the miracle is ... they match the playground perfectly!! He raised the funds for the project and then went to work. With hands-on encouragement of family and friends, Jason got 'er done! THANK YOU, JASON! God bless you, dear friend.*
