About Us

The Danbury Fish and Game Association was originally founded in 1912 as The Western Connecticut Fish & Game Protective Association.

We were renamed to the current in 1950 and incorporated in 1955, making us the oldest Fish and Game Club in the State of Connecticut. In 1998, we were able to secure a long term year lease with the City of Danbury for our current location on Hayestown Road. The original building housed the Town Constable, vacant for a number of years.

Today, we are a structured 501C3 non-profit corporation with by-laws, committees, and an annual election of officers. We are community minded and donate our time and money to a variety of Danbury area charitable organizations and events. We have funded the Bill Lauf Sr. Memorial Scholarship for decades.

Our Conservation Pledge

We give our pledge as Americans to promote, defend and conserve our country's natural resources – its waters, wildlife, land, minerals and forests.

Loyal Order of Moose

The Family Fraternity

"An international organization of men and women dedicated to caring for young and old, bringing communities closer together and celebrating life."

Youth

Mooseheart Child City & School is a residential child care facility, located on a 1,000-acre campus 38 miles west of Chicago. The Child City is a home for children and teens in need, from infancy through high school. Mooseheart cares for youth whose families are unable, for a wide variety of reasons, to care for them. The men and women of the Moose, through unparalleled generosity and volunteerism, furnish the resources necessary to care for children in need. The Moose fraternity provides children with a wholesome home-like environment and the best possible training and education.

Elderly

Moosehaven, the "City of Contentment," 70 beautiful acres on the shore of the broad St. Johns River in Orange Park, FL, 15 miles south of Jacksonville.

Moosehaven residents enjoy their beautiful community without the burdens of home maintenance. Health care is comprehensive. There are plenty of social interaction and activities. Fishing from the 450-foot concrete pier is an enjoyable pastime.

Have fun kids!
