

NOTICE

The Surgeon General has determined that

HUGGING

is good for your health!

Hugging is practically perfect:

The only maintenance required is frequent use, which does not inflict wear or tear on moving parts.

It requires no batteries to wear out, no periodic performance check-ups, no insurance and no monthly payments of any kind.

It is inflation proof, theft proof, non-fattening, non-taxable, non-polluting and of course, fully returnable.

Hugging is all natural:

It is organic, naturally sweet and 100% wholesome. It contains no pesticides, preservatives, nor artificial ingredients.

The best person to hug is Anyone!
The best place to hug is Anywhere!
The best time to hug is Anytime!
