

# Bargaining Update #3

Your BETA Bargaining Team met with the District on 11/14, 11/15, 12/4, and 12/11.

We have opened Article 14 to discuss salary increases, benefits, and other compensation items.

## Some highlights from our time at the table:

1. Minimum day before Spring Break
2. Class Size Ratios: We will move to school site averages instead of District averages
3. Open House will occur during the first 4 weeks of school
4. Differential Pay: Will be the lowest pay rate for day-to-day subs for all members

*\*These highlights have been agreed upon mutually, they are not currently in effect.\**

Negotiations are progressing and we look forward to meeting with the District again on January 16.

\*The only official source of BETA Bargaining Info will be from these updates\*
