Each group will have a designated change room to change put skates on and parents will be able to watch on the ice service or in the lobby. We are able to have canskate helpers on the ice so parents will not need to go on the ice. Families will have to sign in on the screening form. Each family will have to complete Skate Ontario waiver on the first day of skating. Each time you come to skating you will need to complete the township screening form and show your vaccination status. Families are able to enter 15 minutes before skating starts. Currently siblings are not allowed to come and watch skating.
