

Parsonsfield Needs Help From It's Residents

The Future Development Of Our Town Is At Stake

On Saturday March 2, 10am-12pm Parsonsfield Town Office

We will be holding the 1<sup>st</sup> of several Town Hall Discussions. Come for the duration or just drop by for a little while and ..... give us your 2 cents. What's Your Vision? The quality of life moving into the future is NOW up to the many voices of our residents. Do you want Parsonsfield to become a suburb of Portland? Or would you like to preserve its rural Open Range character interspersed with small clustered villages?
