April 9, 2013

To the Sherburn and Welcome City Councils,

The department logged 105 calls for service for the month of March. As of March 31, we stand at 337 for the year. This is up significantly over 2012 and 2011. As warmer weather approaches, I expect this trend will continue.

The average response time for the month of March stood at six minutes 14 seconds. While this is a good response time, we have had better times in the past.

The old radios the department used before the 800 system went into effect have been taken to Mankato and had all frequencies removed. We will now offer them for sale. Hopefully, we can find a buyer who can put them to use and also allow us to eliminate the excess property. I will let you know if/when we get them sold.

City-wide tours have been somewhat delayed because of the weather, but I expect them to be completed either the week of April 8<sup>th</sup> or April 15<sup>th</sup>. First notices will go out after that followed by re-inspection and citations where appropriate.

Sincerely,

A handwritten signature in black ink, appearing to read "BLH", with a long horizontal flourish extending to the right.

Brad L. Hughes
